# APPLICATION ACTIVITY

---

You are now going to participate in an application activity that consists of 4 steps.

The facilitator will be giving you detailed instructions per step but so that you understand the big picture up front.

Below we have outlined the 4 steps:

- STEP 1:** Decide on your country
- STEP 2:** Map out your country's context
- STEP 3:** State what you would like your MIS system to be able to do
- STEP 4:** Outline your proposed MIS solution
